

ALL RISKS CARGO INSURANCE COVER INTERNATIONAL LIVESTOCK CLAUSES

LIVESTOCK CLAUSE No. 1

This Policy covers risk of death and/or mortality from any cause arising (except resulting from being in a parturient condition), including destruction in the interests of humanity when suffering from fractured limbs; risks of jettison and washing overboard. Theft, General Average, and Special Charges (including maintenance through vessel putting into a port of refuge or distress).

The stock to be covered for twenty-four hours after arrival at ultimate destination as stated in Policy or until previous arrival in quarantine.

Animals to be in a good state of a health at commencement of risk. With liberty to be shipped on deck but exercised only under control. Risks of injury from any cause whatever, inoculation and its after effects, prohibition of import or export, failure to pass tests, or slaughter by authorities through infectious diseases are absolutely excluded.

Claims subject to confirmation by a responsible Official, giving particulars and apparent cause of death.

This Clause is subject otherwise to the Terms, Limitations and Conditions of the Policy to which it is attached.

LIVESTOCK CLAUSE No. 2

This insurance covers all risks of death and/or mortality from any cause arising (except resulting from being in a parturient condition), including destruction in the interests of humanity when suffering from fractured limbs; risks of jettison and washing overboard. Theft, General Average, and Special Charges (including maintenance through vessel putting into a port of refuge or distress).

The stock to be covered from time of arrival at Wharf and/or Quay at Port of Embarkation until arrival in Sheds and/or Trains on Quay-side.

Animals to be in good state of health at commencement of risk. With liberty to be shipped on deck but exercised only under control. Risks of injury from any cause whatever, inoculation and its after effects, prohibition of import or export, failure to pass tests, or slaughter by authorities through infectious diseases are absolutely excluded.

Claims subject to confirmation by a responsible Official, giving particulars and apparent cause of death.

This Clause is subject otherwise to the Terms, Limitations and Conditions of the Policy to which it is attached.

LIVESTOCK CLAUSE No. 3

This insurance covers all risks of death and/or mortality from any cause arising (except resulting from being in a parturient condition), including destruction in the interests of humanity when suffering from fractured limbs; risks of jettison and washing overboard. Theft, General Average, and Special Charges (including maintenance through vessel putting into a port of refuge or distress).

Risk to commence from time and at the place of purchase and/or elsewhere until finally shipped, limited to 10 days prior to shipment or held covered, including all loading, transit and shipping and discharging risks, whilst in quarantine, limited to 30 days and continuing without interruption until safety delivered to consignees at final destination as stated in policy (includes risk of mortality for 30 days after arrival at destination).

Animals to be in good state of health at commencement of risk. With liberty to be shipped on deck but exercised only under control. Risks of injury from any cause whatever, inoculation and its after effects, prohibition of import or export, failure to pass tests, or slaughter by authorities through infectious diseases are absolutely excluded.

Claims subject to confirmation by a responsible Official, giving particulars and apparent cause of death.

This Clause is subject otherwise to the Terms, Limitations and Conditions of the Policy to which it is attached.
